78

The number 78 is rendered in a bold, black, sans-serif font with a prominent white outline. It is positioned in the upper center of the page. Below the number, a series of concentric, light blue circles are embossed into the paper, creating a ripple effect that expands outwards from the base of the number. The circles are evenly spaced and cover the lower two-thirds of the page.

OUR EXCHANGE STUDENTS

Thomas Wennerberg, from SW Sweden, is living with the Raymond Fricke family. Tomas likes "everything ranging from school sports to TV, and especially the people because they are friendlier and easier to get along with.

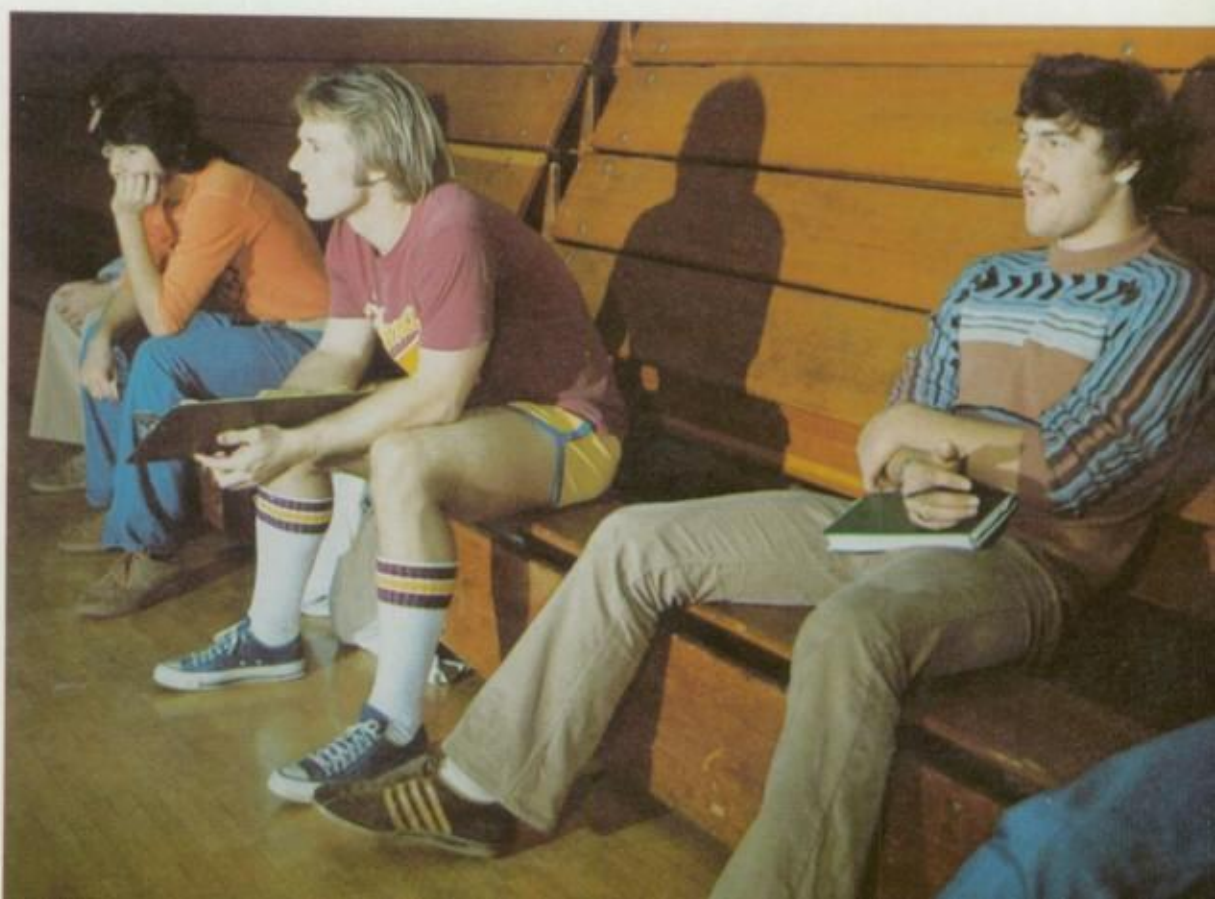

Miho Tokita likes living in America because she meets many nice people. She also likes meeting people who she has never met. Miho is living with the Lyle Towslee family.

Xavier Rodriguez likes everything, including the American girls. Xavier is from Mexico City. He is living with the Zamarron family.

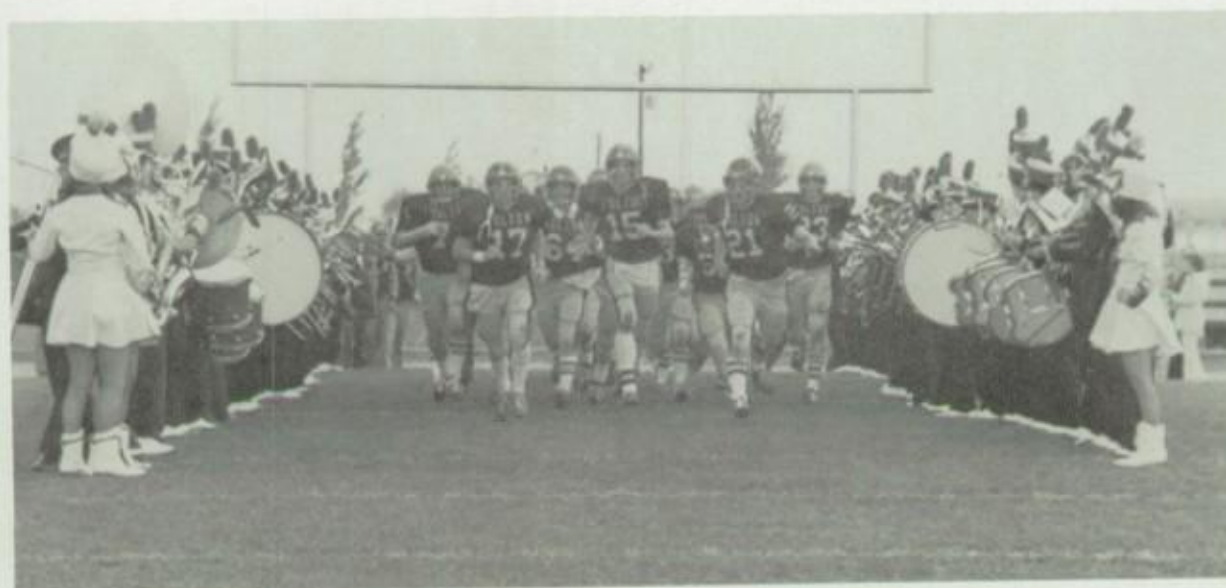

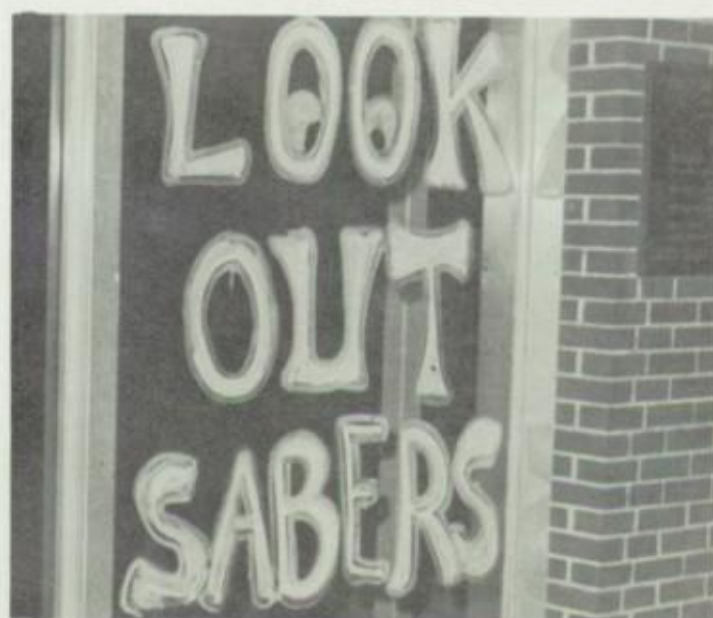

HOMECOMING ACTIVITIES

During Homecoming Week, the cheerleaders sponsored a "Breakfast of Champions," and also a pep rally. The Student Council had a bonfire in the evening. The Seniors took first place with their float, "Jaws." A special feature, made by the Jaycees, was a float which held previous Fulton Homecoming Queens and our new queen, Elaine Smith.

ACTIVITIES

HOME COMING

Although the rain stopped many things, October 8th, it didn't stop the powerful Pirates. Co-captains, Terry and Tim, led their team to a 30-2 victory over Manistee Catholic. During half time they had the honor of crowning queens, Elaine and Miho.

Hey, Schaf!

A black and white photograph of a dense forest. Sunlight filters through the canopy of tall trees, creating a dappled light effect on the ground and foliage. The trees are mostly deciduous, with their leaves creating a complex pattern of light and shadow. The overall mood is serene and contemplative.

FOOTBALL

The 1977 football season was one that everyone will remember. During the season, the Pirates were the number '1' ranked class 'D' team in the state and qualified for the state play-offs for the first time in the history of the school. Being undefeated since the first game of the 1976 season, the Pirates captured the CMAC title for two years in a row. In the quarter finals, Fulton demolished Saranac 21-0, but in the semi-finals Fulton lost to Crystal Falls, the defending state champs. The fighting Pirates dominated the All-League selections of the nine team CMAC Conference. Tim Salisbury and Kevin Riggle were first team offense and defense. Tim was also picked as defensive. Captain, Terry Hnetyuka, was first team quarterback and All-League offensive captain. Others receiving first team honors were Kelvin Drake, Bill Schmidt, and Jerry Winsor. The Pirates ended the season with 10 wins and 1 loss. Coach John Wachsmuth was voted 'Coach of the Year' in class 'D'.

FULTON SKIERS

ANNUAL STAFF

Bonnie Baxter-Editor

As editor I would like to thank staff members, advisor, so called movie stars, and all those who helped with this years annual.

With only three students, working after school hours, it was very difficult to accomplish all that we had planned. There were pictures that didn't get taken, copy that wasn't written and ideas for arranging the yearbook that were unable to be carried out.

We did our best to create a book of memories for those of you who will be leaving Fulton High and those who plan on graduating in the future. Good luck to all who plan on helping with next years Talespin.
